Saguache County Tourism Council
Funding Application Form

The Saguache County Tourism Council receives funds collected through the Saguache County Lodging Tax program. These funds are used to develop and support activities that will enhance tourism in Saguache County. Some of these funds may be distributed back to organizations or individuals in the community for projects that attract visitors to Saguache County. Funds are awarded on a competitive basis at the discretion of the Council. The Council's decision emphasizes, but is not limited to, how a project will draw tourists from outside Saguache County, and the development of new projects that will add to the economic base of the community.
